Yes, this is Fall . . . Delma Arthur, Sayford Moon, Dorothy King, Randy Treadway, Linda Moorefield and Jerry Flanigan.

Winter is Beautiful but everyone is indoors.

Spring has sprung . . . Billy Bennett, Peggy Davis, Betty Hutcherson and Dan Perkins.

THIS IS OUR YEAR AT RENAN HIGH SCHOOL . . .

It has been a year of awakening to new experiences and realities . . . For the seniors, a year of eager waiting for the long sought goal of graduation . . . For the juniors, a year of looking forward to the day when they will become seniors . . . For the underclassmen, a year of hard-working preparation for the high school years lying ahead . . . And through all this the ever present friendliness and traditional spirit lend its own magic touch to the overall magnificence . . . A wonderful year . . . A progressive year . . . A year of working together and being together . . . All these things combined and many others have helped to make this our year at Renan the finest of our lives.

DEDICATION

For her devotion to the profession of teaching, for her inspiration to everyone, and for those wonderful qualities that make her one of our best loved people, The Rambler Staff dedicates the 1963 edition of the Rambler to Mrs. Elizabeth Booker.

DEDICATION

Mrs. Booker discusses plans for FHA Christmas Faculty Tea with Joan Robertson, President, as an annual event at Renan High School.

In spite of her full schedule, however, Mrs. Booker is never too busy to listen to a problem or offer thoughtful counseling. Her sincere interest in each individual, and her loyalty and devotion to Renan High have won for her the respect and admiration of the student body.

A Colorful Year . . .

These fifth grade students are listening attentively to their teacher, Mrs. Owen. The grade students as well as the high school help make Renan what it is today.

A year in which the surroundings of Renan lending a colorful touch to the lives of those to whom it became a second home. The big events of the year--Homecoming, Senior Dance, Beta Sweetheart Ball, FHA-FFA Banquet and Prom, Junior Senior Prom--all helped to make this a more enjoyable year at our school.

Dancing to the music of the Afterbeats, the Juniors, Seniors, and their dates are having a wonderful time.

Fight, team, Fight! Our cheerleaders have added a new spark and color by their new yells and new red uniforms.

An Eventful Year . . .

It has been a very eventful year for the first graders as they have been introduced to a whole new world through reading, printing, and numbers.

It was an eventful year . . . a year of activity and a year of learning . . . The gathering of friendly groups to talk over their problems . . . The basketball games we won and lost . . . Other athletic events to add interest . . . Those all-important exams . . . The Sweetheart Dance, The Junior-Senior Prom, all with their touches of romance and splendor . . . These have combined to make this a most eventful year.

"Do you solemnly swear to tell the truth?" This was the question often asked during the government classes' mock trial.

A moment long awaited for has finally arrived. These students have earned the honor of being invited to join the Beta Club.

September

With the coming of September, many seniors approach school for their last year at dear ole Renan.

With October comes the chance for final out-door activity. Billy Anderson, Peggy Smith, Donald Adams, and Dean Layne are swinging into the new school year with enthusiasm and spirit.

October

November

By November classes have settled down to serious business. This biology class is receiving instructions for their assignment.

December brings the Christmas spirit to everyone at Renan. These seniors are preparing the gym for their big senior Christmas dance.

December

January

Mid-term examinations start in the middle of January. These students work rapidly to finish their exam in the time given to them.

February

February is the time for the basketball tournament. R. J. Rowland, David Booker, Judy Moorefield, Paulette Watlington, Helen Worsham, Carolyn Hutcherson, and Wylene Compton are shown entering the bus to go to Chatham.

March

March is the convention month. These Beta members and sponsor Mrs. Hutcherson are leaving for the convention at Richmond.

April

April is the month the juniors won't forget. This is the month they receive their rings. Ida Albeck, Glen Dawson, Vicky Crews, and Ozelle Compton are talking with Mr. Hamilton about their class rings.

May

With May comes the anticipated expectation of graduation in June. Addressing announcements are Carroll Bruce, Richard Wilson, Carolyn Hutcherson and Joan Robertson.

These are the contestants running for Carnival King and Queen.

YES, THIS WAS OUR YEAR AT RENAN HIGH SCHOOL. It was a year filled with the realities of the present and the hopes and ambitions of the future. It was a colorful year, an eventful year. It was a year in which challenges were met, aspirations became realities, and long awaited goals were reached. It was a year in which the tomorrows soon became yesterdays, the present and the future faded into the past, leaving memories of not to be forgotten events.

Nancy Bruce became Carnival Queen and Sayford Moon became Carnival King. Mr. Hamliton is shown with the two winners.

Mr. Anderson is showing his chemistry class an experiment dealing with mixing a true solution.

The friendships, the associations, the quiet feeling of togetherness that rang through the halls; these too were a part of our year.

These are the things that have made Renan what it is today. And the awareness of these things was the driving force that made each of us resolve that this our year at Renan would be the best she has ever had! Now we will take a peek at the activities.

One of its chief objectives is to develop strong aggressive leadership so that these future businessmen and women may participate more effectively in the business and community life of which they are a part. The Future Homemakers of America is a national organization which helps high school girls in preparing them as a good homemaker. The FHA helps a girl to realize the importance of worthy home membership; to work to have democracy, wholesome recreation, and creative leadership in the home and community. It also helps a girl to prepare for a career in home economics.

Renan Chapter has been affiliated with the state and national level for 17 years. During these years the chapter has grown in leadership and membership. The State goal that was chosen was "Stay in School". Throughout the year there was a special project pertaining this goal. Some of the projects this year are: the adoption of Kathy McGhee, coverdish supper for new members, participating and modeling in the Danville Fair, the FHA-FFA Banquet and Prom, presenting of a Fashion Show to the PTA and others featuring "Stay in School."

Future Farmers Get Experience

The Renan Chapter is a member of the Virginia Association of Future Farmers of America which has a total membership of 9696 boys in 174 chapters. Each boy has the privilege of wearing the F.F.A. Emblem. This emblem of the Future Farmers of America is significant and meaningful in every detail. It is made up of five symbols: the owl, the plow, and the rising sun, within the cross section of an ear of corn which is surmounted by the American eagle. The owl is symbolic of wisdom and knowledge; the plow is the symbol of labor and tillage of the soil; the rising sun is emblematic of progress and the new day that will dawn when all farmers are trained and have learned to cooperate; the cross section of an ear of corn represents common agricultural interests since corn is native to America and grown in every state; and the eagle is indicative of the national scope of the organization.

All these come in the course of the year for the staff. But at year's end when the annuals are distributed, the satisfaction gained makes the work worthwhile!

The girls' basketball team had a very successful year. Hard hours of practice and the desire to win accounted for the Rambler's victory. They lost only four games - two in Group II, and two games out of their district.

The girls placed second in Group III, and they deserve this honor not only for the hard physical work, but also for their display of good sportsmanship.

They played off the championship game for District III, losing to Climax on a narrow margin.

Here, in the final section of the Rambler, is the device of its reality, for without those who advertise within these pages, there could be no annual.

We find satisfaction in knowing that the ad contracts of many places of business are renewed year after year and that many new ones are gained each season.

Patronize these advertisers who helped to make our yearbook possible! And tell them you saw their advertisement in the "Renan Rambler".
